

# The Middle

## Zedd, Maren Morris & Grey

[Verse 1: Maren Morris]

Take a seat

Right over there, sat on the stairs

Stay or leave

The cabinets are bare and I'm unaware

Of just how we got into this mess

Got so aggressive

I know we meant

All good intentions[Pre-Chorus: Maren Morris]

So pull me closer

Why don't you pull me close

Why don't you come on over

I can't just let you go

[Chorus: Maren Morris]

Oh baby

Why don't you just meet me in the middle

I'm losing my mind just a little

So why don't you just meet me in the middle

In the middle

Baby

Why don't you just meet me in the middle

I'm losing my mind just a little

So why don't you just meet me in the middle

In the middle[Verse 2: Maren Morris]

Take a step

Back for a minute, into the kitchen

Floors are wet

And taps are still running, dishes are broken

How did we get into this mess

Got so aggressive

I know we meant

All good intentions

[Pre-Chorus: Maren Morris]

So pull me closer

Why don't you pull me close

Why don't you come on over

I can't just let you go[Chorus: Maren Morris]

Baby

Why don't you just meet me in the middle

I'm losing my mind just a little

So why don't you just meet me in the middle

In the middle[Bridge: Maren Morris]

Looking at you I can't lie  
Just pouring out admission  
Regardless my objection  
And it's not about my pride  
I need you on my skin just  
Come over, pull me in just[Pre-Chorus: Maren Morris]

Oh, Baby

Why don't you just meet me in the middle  
I'm losing my mind just a little  
So why don't you just meet me in the middle  
In the middle, no no[Chorus: Maren Morris]

Baby

Why don't you just meet me in the middle  
I'm losing my mind just a little  
So why don't you just meet me in the middle  
In the middle

Baby

Why don't you just meet me in the middle  
Baby, I'm losing my mind just a little  
So why don't you just meet me in the middle, middle  
In the middle, middle
